

Information letter new students from the Introcie

Dear new Media and Culture student,

On behalf of the Utrecht University we would like to welcome you to the bachelor Media and Culture! We, the introduction committee, are going to make sure you'll get acquainted with your new bachelor, the university, the city Utrecht, study association AKT and of course your fellow new students. In this letter you'll find all the important information about the introduction days at the beginning of the new schoolyear.

The introduction days will take place on Monday, Sept. 3, and Tuesday, Sept. 4, 2018. These two days are filled with fun activities to start your new bachelor the right way. You will receive the official information booklet, which includes the planning, on Monday morning. This also includes the information about Tuesday. On Monday morning, you are expected at **10:15 AM** in the **Louis Hartlooper Complex (Address: Tolsteegbrug 1)** and we'll start at **10:30 AM**. Traveling to Louis Hartlooper Complex is not difficult via public transportation: it's just a one-minute walk from Utrecht Vaartsche Rijn and bus 2 will bring you from Utrecht Central to the Louis Hartlooper Complex building in 13 minutes. There's a 15-minute walk-in period, so you'll have plenty of time to get to the Louis Hartlooper Complex (even when you're delayed), but try to be on time! If you're lost or you're severely delayed, you can let us know via these phone numbers: 06-12625096 (Elle) and 06-38323930 (Chiara). Please contact us when there's a problem, we'd like to help you with it!

On Monday, we'll provide lunch for you. It's important to bring money for dinner, so don't forget that! On Tuesday, you're supposed to bring your own lunch and take care of dinner together with your introduction group. Our planning starts on 11:00 and before that, there's an information meeting for internationals of the Faculty of Humanities, so don't forget to bring lunch!

We'll keep further information secret for a little longer. If you have any questions, you really want/need to know something or you just want to chat with us, you can always send an e-mail to introductiecommissie@akt-online.nl. The introduction committee can also be found on Facebook! Somewhere in the summer holiday, we'll contact you via Facebook and invite you to the event Introduction days Media and Culture 2018. This Facebook event will include all the important information in this letter. We'll also provide you with extra information via the event: we'll announce the theme of the introduction days and we'll introduce the mentors to you. Keep an eye on the event for all kinds of fun extra information!

We wish you a very nice summer holiday and we'd love to see you on Sept. 3. We're looking forward to the introduction days, how about you?

Love,

The introduction committee a.k.a Introcie 2018,

Iris, Michel, Anne-Florine, Elle and Chiara
